

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Sam Kaster
DOCKET NO.: 06-20376.001-R-1
PARCEL NO.: 23-13-206-022-0000

The parties of record before the Property Tax Appeal Board are Sam Kaster, the appellant, by attorney Rusty A. Payton of the Law Offices of Rusty A. Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is a 34-year old, one-story style dwelling of masonry construction containing 1,455 square feet of living area with a full, unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process as the basis of the appeal. The appellant submitted four suggested comparable properties described as one-story or one and one-half story masonry dwellings that are between 39 and 49 years old for consideration. On the appellant's map, one of the comparables is located near the subject, and three are located approximately one and one-half to two miles away. The comparables contain from 1,092 to 1,733 square feet of living area and have improvement assessments ranging from \$12.58 to \$13.57 per square foot. The subject's improvement assessment is \$17.01 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment was disclosed. The board of review presented three comparable properties consisting of one-story masonry dwellings that are from 32 to 34 years old and are located one or two blocks from the subject. The dwellings contain from 1,176 to 1,285 square feet of living area and have improvement assessments ranging from \$18.20 to \$19.89 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

| | | |
|--------|----|--------|
| LAND: | \$ | 5,628 |
| IMPR.: | \$ | 24,745 |
| TOTAL: | \$ | 30,373 |

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

The Board finds the range established by the most similar comparables contained in this record is \$18.20 to \$19.89 per square foot of living area. The subject's improvement assessment of \$17.01 per square foot of living area falls below this range. The comparables submitted by the board of review were the most similar to the subject in age, location, and physical characteristics. These comparables received the greatest weight in the Board's analysis. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
